

December 11, 2022

Families,

I am writing to let you know that **Bicentennial School will remain closed on Monday, December 12, 2022.**

As of this evening, we are still waiting on final asbestos test results after higher than acceptable results were discovered last Thursday (December 8, 2022).

We expect to receive test results on Monday. **We will provide you with another update on Monday evening.**

The safety and well-being of students and staff is our highest priority, and I appreciate your patience as we work through this process.

With thanks,
