Families,

We are writing to you today with an update to the building upgrades taking place at Tantallon Senior Elementary.

Last October, we let you know that the roof at Tantallon Senior Elementary was scheduled to be repaired. The section of the roof being repaired is now almost complete, with minor updates and final clean up taking place in the coming weeks.

As a reminder, we also sent you a [message](#) in May, advising the last phase of the roofing project is scheduled to start this summer. That work will begin very soon and should be completed later this fall.

If you have questions or concerns about this project, please contact the HRCE Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna  
Director, Operations Services  
Halifax Regional Centre for Education
