

May 17, 2023

Families,

I am writing to let you know that another section of the roof at Tantallon Senior Elementary is scheduled to be replaced. This is a continuation of the roof replacement project that was started last fall and will complete the required roofing work for this school.

This project is expected to start this summer and should be completed this fall.

You may continue to see workers on site as the work progresses. Please be assured that learning will not be impacted.

You can expect further updates over the next few months. If you have questions or concerns, please contact the HRCE Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna
Director, Operations Services
Halifax Regional Centre for Education
