Families,

The tender for the project to replace St. Joseph's-Alexander McKay Elementary is now live!

Want to see what the school might look like? [Click here](#) to see some 3D renderings of the project, as well as floor plans and the design of the school site.

Building a new school is exciting! We'll be sure to update you as the project continues.

Thank you for your patience and understanding.

Sincerely,

Kavita Khanna P.Eng., MBA
Director Of Operations Services
