

May 23, 2024

Families,

Student enrolment throughout the Halifax Regional Centre for Education (HRCE) continues to grow each year. This is especially true at Central Spryfield Elementary.

I am writing to let you know that one additional portable classroom will be required to help ease enrolment pressures at Central Spryfield for the 2024-25 school year.

The portable will be placed on site this summer. Once in place, any repair work required will be completed to ensure there is safe access and clear paths to the main school building. Please be assured that the portable classroom will be a safe and welcoming space, ready to accommodate students and staff in September.

Your principal will work with school staff to determine how to best use the new portable classroom to support learning next school year.

If you have any questions, please reach out to your principal or contact HRCE's Operations Services team at [hrceoperations@hrce.ca](mailto:hrceoperations@hrce.ca).

Sincerely,

Kavita Khanna P.Eng., MBA  
Director, Operations Services  
Halifax Regional Centre for Education
