Families,

I am writing with an update on the project to replace St. Joseph's-Alexander McKay Elementary.

We have received a new project status report from the Nova Scotia Department of Public Works. [Click here](#) to view.

Construction of foundations and structural steel installation are ongoing. The school replacement project is still expected to be complete by September 2025.

We will continue to provide you with progress updates as they become available. You can find up-to-date information on our website [here](#).

Sincerely,

Kavita Khanna P.Eng., MBA  
Director, Operations Services
