Subject: Park West School: Pre-Primary Update

Families,

I am writing to welcome you and your child to the Halifax Regional Centre for Education (HRCE)! You are receiving this message because you have registered for the Pre-Primary program at Park West School for September 2024.

Enrolment in the HRCE continues to grow at a significant rate and this is especially true at Park West.

This is an update to let you know that the Pre-Primary program for Park West will be offered at 117 Kearney Lake Road for the 2024-25 school year to help ease enrolment pressures.

The Pre-Primary program at **117 Kearney Lake Road** will be the same high-quality, play-based experience that is offered at any HRCE location. Children will become curious, confident, and capable learners who will be well-prepared to join their home school for Grade Primary.

Pre-Primary programs for Grosvenor-Wentworth Park Elementary and Rockingham Elementary are also offered off-site at 117 Kearney Lake Road and will continue to be run from this location for the 2024-25 school year.

Transportation

Pre-Primary children will be provided transportation if they meet [eligibility requirements](#). In early July, you can confirm your child's eligibility in [BusPlanner](#). The HRCE Student Transportation team will also reach out over the summer with more details.

What happens next?

Closer to September, an Early Childhood Educator with Pre-Primary will reach out to you with more information about starting the program this fall.

If you have any questions or concerns, please send us a message at connect@hrce.ca.

We are excited to have you join us this September!

With thanks,

Steve Gallagher
Regional Executive Director
Halifax Regional Centre for Education
