

June 27, 2024

Families,

I am writing to provide you with an update on the portable classroom Dartmouth South Academy will receive for the 2024-25 school year.

The portable is expected to arrive at the school on Tuesday, July 2, 2024.

The Operations Services team will work to refresh the space, add furniture and set up technology so it is ready to welcome students and staff in September. Once in place, any repair work required will be completed to ensure there is safe access and clear paths to the main school building.

Your principal will work with school staff to determine how to best use the new portable classroom to support learning next school year. If you have any questions, please contact HRCE's Operations Services team at hrceoperations@hrce.ca.

Sincerely,

Kavita Khanna P.Eng., MBA
Director, Operations Services
Halifax Regional Centre for Education
