

August 28, 2024

Families,

I am writing with an update on the new portable classroom that was [announced](#) for Central Spryfield Elementary to support enrolment growth.

I am happy to share that the portable will be ready to welcome students and staff when school begins on September 5, 2024.

There are some finishing touches and minor repairs that will take place in the coming weeks, both inside and outside. Work will happen after school hours and on weekends to minimize any impact on learning.

Your principal will work with school staff to determine how to best use the portable classroom to support learning this school year.

If you have any questions or concerns, please reach out to your principal or contact HRCE Operations Services at hrceoperations@hrce.ca.

Wishing you and your family a successful start to the 2024-25 school year!

Sincerely,

Kavita Khanna P.Eng., MBA
Director, Operations Services
Halifax Regional Centre for Education
