The purpose of this Tender is to procure Safety Equipment for students who will be taking Skilled Trades Courses in the 2017/2018 school year, plus two optional additional years. Pricing will be renegotiated at the beginning of each additional year. The student sizes are unknown at this time. The Board will be purchasing hard hats, safety boots and safety glasses for an estimated total of 240 students per year. There will be two deliveries each year, one per semester, to each of the 8 schools. The quantity of Safety Vests, Ear Protection and Work Gloves purchased will depend upon funds available after the purchase of hard hats, safety boots and safety glasses. Ideally, the vendor will deliver the safety equipment to each school location allowing students to try on the equipment before the purchase is made.
