Question

Questions from our subcontractor that require clarification:

Section 08 50 50 Aluminum Curtain Wall:

1. **Item 2.5:** Please consider the Commdoor 8200 series (High Performance) curtain wall framing and Series 225 operable windows as equals to the specified products.
2. **Item 2.5.2.3:** Please consider the 225 series roto operated vent window and locking handles from Commdoor Aluminum Products Ltd. as equivalent to the specified Bronzecraft operator.

Answer

These alternates are deemed acceptable, updated General specification is enclosed.

Question

Please confirm if the work for this project can only be done after hours, or if it can also be performed during the daytime?

Answer

This school will be operating during the daytime; all work will be after-hours work.
